Gib Brown is one of the preminent Theodore Roosevelt impersonators in the country and will be the keynote performer at this year's event.

Mr. Roosevelt's personality, intellect and zest for life, as well as Brown's amazing resemblance to the Rough-Rider President, became an irresistible call. Brown developed a deep knowledge and uncanny impressions of Roosevelt to the point he's made a career of his talent. Gib has recreated his character hundreds of times all across the country and from high schools to the White House.
